

TOP HERBS COMPANY

Top Herbs is a leading Egyptian company that cultivates and exports herbs, spices, and other selective agricultural products. The company is quite distinguished with the privilege of having its roots down in 1999s; where our family had been granted the advantage of being cultivators having their own apt lands for cultivating herbs, spices, and other agricultural products. This in fact has been the cornerstone that shaped our experience and gave us the stance to tackle and handle every single aspect concerning our products.
